I would like to take the opportunity to introduce myself! My name is Briana La Form and I am the Programs Manager at Shelburne Long Term Care. I have been a part of the staff at Shelburne Long Term Care since February of 2020 and I became the Programs Manager in April of 2022. Sarah Brown has done a great job running the department over the past year and I am so glad we get to continue working together going forward. I look forward to meeting all of you and of course seeing familiar faces again.

FROM THE PROGRAMS DEPARTMENT:

Hello everyone, and Happy October! We can not believe that October is here already. Our Residents have participated in so many enjoyable Summer activities and we can't wait to share what we have in store for the Fall and Winter! Please reach out should you have any questions at all about Programs or the Calendar.

Exciting News!

We are excited to share that many changes have begun within the exterior of our home. Peel Landscaping has begun with the gardens in the front of the building and will continue throughout our courtyard. So far the front gardens look incredible and we will keep everyone updated as things progress!
